

ØYGARDEN
kulturskule

School of arts for everyone!

Welcome to Øygarden kulturskule!

Øygarden school of arts (Øygarden kulturskule) is a resource centre for children and young people in Øygarden who want to get involved in cultural leisure activities.

We are also a resource for schools, kindergartens, institutions, volunteer teams and organizations.

Øygarden school of arts conducts teaching, concerts and other activities at centres throughout the Øygarden area.

Our offers

Visual arts

Art is a group based offer for those who wish to begin to study drawing, painting and graphics in various techniques. Other forms of expression such as ceramics, sculpture, embroidery, street art, installations and land art are also available. Art lessons are held in the studio at Liljevatnet.

Theater and dance

We have different theatre groups based around the municipality. Dance is integrated into some of the groups. From 2022, we will have dance only groups. Stay tuned to our website for updated information.

Choir

Here you can develop your voice and learn how to be an active member of a choir. You get the chance to perform in concerts around the municipality, attend seminars and travel on trips in the country and abroad! Øygarden school of arts choir (Øygarden kulturskulekor) has three age groups and practice on Wednesdays at Liljevatnet.

ØYGARDEN
kulturskule

Music kindergarten

Music kindergarten is offered to children of nursery school age. With a varied musical program of songs, nursery rhymes, dance, drums and other instruments, there's something for everyone. Sessions are adapted to age and developmental level. We also have daytime groups for babies under one year old at Liljevatnet.

Band

If you want to play in a band, Band practice is offered to students who study not only band instruments (i.e., guitar, bass guitar, drums, keyboard/piano) but to other disciplines that are band relevant (i.e., singing, flute, other wind instruments, violin). Band teaching takes place at Liljevatnet.

We also offer tuition in various instruments and singing, individually and in groups.

Other information

You will find information about pricing and how to apply for tuition [on our website](#). You can also read about current news, forthcoming events and concerts.
